

GORDON. Design: EOOS.

It's almost better than lying down. Gordon, the spacious sofa, ensures lasting relaxation. Protecting and supporting at the same time: the high back with a slim-line back shield. The soft cushions in front of it guarantee comfortable sitting for hours on end. Fine drawn-in leather defines the seat cushions. A refuge to come home to – in total peace and quiet and amazing comfort. Gordon comes as a classic single sofa or add-on sofa, as a récamière or as corner version.

Product description
