

Sistema K2 / K2 System

www.kryptonite.com

Sistema a pressione composto da montanti su cui vengono fissati ripiani, cassettiere e barre appendiabiti per la realizzazione di librerie e cabine armadio, affiancate a muro o come parete divisoria.

Al momento dell'ordine è necessario comunicare la distanza tra il pavimento e il soffitto (con una tolleranza di 5 cm) in quanto i montanti sono tagliati su misura. I fori su i montanti sono ogni 10 cm per consentire il posizionamento dei ripiani e degli altri elementi a diverse altezze, fino a 300 cm da terra.

Pressure system composed by uprights in which are fixed shelves, drawers and clothes rails to make bookcases and wardrobes, it could be placed against a wall or used as partition in an open space.

At the time of the order is necessary to communicate the distance between the floor and the ceiling (with a tolerance of max 5 cm) as the uprights are cutted to size. The holes on the uprights are every 10 cm to allow the positioning of the shelves and of the other elements at different heights up to 300 cm from the ground.
